He stated that he was suspicious of OPPENHEIMER, who was born in Germany on January 19, 1911, because he wanted a job so badly, and in spite of the fact that he was a graduate of Heidelberg University, OPPENHEIMER had offered to work for about \$20 a week when he could not help knowing that the employees of the Kramer Lines were paid about \$80 a week.

Mr. LUTZ stated that OPPENHEIMER had told him that he came to the United States in 1939, and was a registered German Alien. Mr. LUTZ stated that OPPENHEIMER had worked at the Follmer Trucking Company, Delaware Avenue, Philadelphia, for about six weeks, and stated that he had heard that OPPENHEIMER had caused some trouble at the Follmer plant. However, Mr. LUTZ was unable to give any information which indicated that the subject had any subversive tendencies. ~~TOP SECRET~~

AL 65-1626

AT ITHACA, NEW YORK:

ALFRED SARANT is not listed in the 1949 directory, which is the current directory. He, however, is listed in the 1947 directory, as follows: ALFRED SARANT (LOUISE J.) - student - 422 Eddy Street. The 1948 Cornell Staff Directory contained the following: A. SARANT - Electric Engineer, Laboratory of Nuclear Studies - 422 Eddy Street (5334). The 1949-50 Ithaca telephone directory contained the following listings: ALFRED SARANT - Cayuga Heights Road - telephone number 7466. b1

Investigation at Cornell University consisting of a check of the records of the Secretary's Office, the Registrar's Office and the Alumni Office, indicated that SARANT was never a student nor a faculty member at the University. Miss A. A. KING, secretary to the Director, Department of Physics, Cornell University, an established contact of this office, advised that SARANT was employed approximately two years ago as a laborer and draftsman at the Nuclear Laboratory and that this employment was apparently terminated due to the fact that SARANT wanted to become a member of the faculty and was not so qualified.

Mr. C. J. KENERSON, secretary, Ithaca Chamber of Commerce, and Mayor of Cayuga Heights, advised that SARANT is unknown to him and his office.

Miss JANE MCAULIFFE, manager, Ithaca Credit Bureau, furnished SARANT's file which contained the following information. He is listed as a self-employed painter and contractor with address as RD 1, Cayuga Heights Road. He owns real estate in South Lansing, which is just adjoining the Town of Ithaca on the Cayuga Heights Road.

He has an account with the Ithaca Savings Bank and has given E. N. RULSEY AND SONS as a business reference.

AL 65-1626

He was married to LOUISE JACQUELINE ROSS, daughter of VICTOR K. D. ROSS in July, 1945. He presently has two children. SARANT and his wife formerly lived with the ROSSES at 422 Eddy Street.

Miss MC MULIFFE stated that she does not know SARANT personally and that he is not a customer of the Bureau. Her records failed to reflect the nature or scope of his contracting work. Miss MC MULIFFE advised, however, that she does know VICTOR K. D. ROSS. She stated that he has been practicing law in Ithaca since May 24, 1940, and presently resides with his wife on the West Shore of Cayuga Lake. She stated that prior to assuming his law practice he was a salesman for some wholesale company. In 1945, he was a candidate for County Judge on the American Labor Party ticket.

Confidential Informant T-1, of known reliability, advised that he is personally acquainted with VICTOR K. D. ROSS. He stated that he is not a member of the Tompkins County Bar Association, due to the fact that he is not well liked by many of his colleagues. This informant stated that he considers ROSS as being somewhat of a liberal and added that to his knowledge he has never been suspected of Communist activities. This informant stated that he was introduced to SARANT on one occasion by ROSS and that this is the only time he has ever seen SARANT. He added that SARANT left no impression on him.

This informant further advised that he does not know of SARANT's present occupation. He recalled, however, that ROSS once told him that the best and most economical way to build a new house is to become a contractor yourself and direct the building, thereby gaining contractor's prices and also saving the expense of hiring a contractor. This informant assumed that this is probably what SARANT has done in order to build a new home.

Dr. LYNN R. FISHER, 210 North Aurora Street, advised that SARANT, assisted by one W. BRUCE DAYTON, has built two modernistic homes on the Cayuga Heights Road, Town of Lansing, beyond the Ithaca town line. He stated that he has never met SARANT, but that he has noticed that the SARANTS and the DAYTONS appear to be very close friends. The DAYTON home was built first and both families resided in this house while the second was under construction.

The above residences were observed by the writer and they are located on the right side of Cayuga Heights Road in the Town of Lansing, approximately  $1\frac{1}{2}$  miles beyond Ithaca City line. They are

AL 65-1626.

ultramodern in construction and neither appears to be completely finished. They are about 50 feet apart, set back about 60 yards from the highway.

[REDACTED] RFD 1, advised that the DAYTONS have lived at this address from nine to ten months and the SARANTS from six to seven months. He also stated that both families appeared to be very close. [REDACTED] stated that SARANT receives an extraordinary amount of mail. b7c

The following information is being set forth concerning WELDON BRUCE DAYTON.

He has been employed as a Research Assistant, Laboratory of Nuclear Studies, Physics Department, Cornell University, since March 1, 1946. He formerly resided at 805 South Plain Street, Ithaca. The files of the Ithaca Credit Bureau reflect he resided at 404 Panoramic Way, Berkeley, California, before moving to Ithaca.

A review of the files of the Albany Office reflects that DAYTON has been a frequent contact of Dr. BERNARD PETERS, PETERS, subject of case entitled "BERNARD PIETROSKI, wa. Dr. BERNARD PETERS - INTERNAL SECURITY - R", Buffalo Origin (BUREAU 100-190625), resides at 172 Salina Street, Rochester, New York, and is employed as Assistant Professor of Physics, University of Rochester.

Albany Confidential Informant T-2 of known reliability, has reported that on June 19, 1950, PETERS visited at the home of DAYTON, RFD 1, Cayuga Heights Road, Lansing, New York.

Albany Confidential Informant T-3, of known reliability, advised on April 11, 1950, that he had learned that DAYTON was President of the Central Labor Union and was a delegate from the Cornell University Group of the Teachers Union to the Central Union. He further advised that DAYTON was reportedly a stooge of PHILIP MORRISON, Cornell University nuclear scientist.

Cornell in the Fall of 1940, being admitted from Phillips Academy (Andover). He was born September 24, 1922 at Stamford, Connecticut, and was on leave of absence from the University from September 1942 to June, 1943. His file contained no derogatory information. The files of the Albany Office contain no record of MORSE.

The following information was obtained concerning W. BRUCE DAYTON, reported close friend and next door neighbor of SARANT, from Miss A. A. KING, secretary, Physics Department Office, Cornell University: He has been a graduate student in Physics since March, 1946. He now has completed all work towards his Ph.D. Degree but will not receive his diploma until September, 1950. He was born February 10, 1918 at St. Helena, California, attended Sacramento Junior College from 1934 to 1937, receiving an A.A. Degree, and attended the University of California from 1937 to 1941, receiving an A.B. Degree in 1939 and later doing graduate work. His father, WARREN P. DAYTON, resides at 1833 Los Robles Boulevard, Sacramento, California. His employment record is as follows:

Reader: Physics Department, University of California, 1938-1940.

Teaching Assistant, University of California, 1941.

Research Physicist: Degaussing Project (US Navy), San Francisco, 1941-1944.

Research Physicist: Rocket Project (OSRD), California Tech., Pasadena, 1944-1945.

Miss KING advised that DAYTON intends to leave Cornell in the very near future, but that she does not know what his plans are.

Dr. LYMAN R. FISHER, 210 North Aurora Street, was recontacted, but he could furnish no additional information concerning SARANT.

Confidential Informant T-1, of known reliability, furnished a photostatic copy of an undated photograph and article that appeared in the "Binghamton Press" during the 1948 presidential election campaign. The article states that JOHN SARANT, Electrical Engineer from Cornell, was a speaker at a Triple Cities Wallace-for-President Committee meeting, and includes a picture of SARANT in a group photograph of persons at the meeting. This

AL 65-1626

individual is most probably identical with suspect, since Cornell University files record no former staff or faculty member with this name. The files of the Albany Office contain no record on either JOHN or ALFRED SARANT.

Confidential Informant T-2, of known reliability, advised that he is personally acquainted with SARANT. He stated that SARANT is self-employed as a painting contractor in Ithaca and has been so employed since about the first of the year. He has two men working for him and reportedly he has an interest in LaRock's Paint and Wallpaper Company, 537 West State Street, Ithaca. Informant stated that he has seen some of the work performed by SARANT and that it is highly satisfactory. He added that SARANT is very gifted mechanically and that his new home, which he constructed himself, is a showplace. Informant advised that SARANT has told him that his father is quite well to do and that his brother has one of the largest Ford agencies in Long Island. He stated that SARANT has little money and that his home and property are mortgaged to the fullest extent. Informant added that he has two children, both quite young, and that SARANT has impressed him as a respectable sort of individual. SARANT has told informant that he intends to remain in Ithaca and that he hopes to gradually increase his contracting business. He also has told informant that W. BRUCE DAYTON wants to sell his house and leave the city.

Confidential Informants T-3 and T-4, both Communist Party members, advised that SARANT is unknown to them. These informants have an extensive knowledge of Communist activities in the Ithaca area.

Through the cooperation of E. F. SLOUGHTER, Ithaca Postmaster, a mail cover was placed on all mail addressed to suspect's residence at [REDACTED] for the period of May 4, 1950 to May 18, 1950. This cover reflected that he received mail from the following during this period:

DATE: June 7, 1950

On June 6, 1950, WILLIAM BOYLE, Superintendent of Carriers, 30th Street Station, U. S. Post Office, advised that a check of the change-of-address records from 1943 to the present failed to reflect a change of address for THOMAS L. BLACK from the 2100 block of Spruce Street. MR. BOYLE advised that L. C. RICKS was the carrier covering the 2100 block of Spruce Street.

L. C. RICKS, Carrier, 30th Street Station, U. S. Post Office, advised he is the carrier covering the 2100 block of Spruce Street and, in fact, has covered that block for the past eighteen years. RICKS stated that he could not recall that one THOMAS L. BLACK had ever resided in the 2100 block of Spruce Street or immediate vicinity.

The following inquiries were made in the vicinity of the 2100 block of Spruce Street on June 6, 1950, since BLACK was alleged to have resided in the 2100 block of Spruce Street on the south side near the 22nd Street end.

RUFUS W. FISTER, JACKSON-CROSS REAL ESTATE COMPANY, Room 914, Lincoln-Liberty Building, advised that JACKSON-CROSS is the agent for the property located at 2134 Spruce Street, which is owned by DR. MARIO A. MONTICELLI, 1825 Spruce Street. MR. FISTER said that JACKSON-CROSS took over as agents of the building sometime during 1948 and had also been the agent prior to 1940. According to MR. FISTER, the records of JACKSON-CROSS failed to reflect that anyone by the name of THOMAS L. BLACK or JACOB PASS had resided at 2134 Spruce Street during the periods that JACKSON-CROSS was the agent.

MRS. HARRY BUCK, 2132 Spruce Street, advised that she has resided at that address since the summer of 1947 and added that no one by the name of THOMAS L. BLACK has resided there during this period.

The maid at 2130 Spruce Street advised that 2128 and 2130 Spruce Street is the private residence of MRS. SARA GREENE and that no roomers reside there.
